This is a simple procedure and ideal if you have limited space and wish to display your pictures without risk of damage.

Take a metal skirt/slacks hanger and a peg board. Hang your picture with small clips or tight clothes pegs to the metal bar. Attach any info, if necessary, written on a ticket and hang that from the part below the hook, for example sale price or customer's name, the date etc. You can have a row of these if wanted and it makes your art room tidier and the pictures are easily viewed!
